FLY RACING

GLOVE SIZING

1 INCH
x 1 INCH
Measure outside edges before use

PRINT: US Letter (8.5 x 11 in) at 100% / Actual Size.
Do not use Fit to Page or Scale to Fit. Check the square with a ruler.

Finger proportions vary. Estimate your size using your longest fingers.

HAND PLACEMENT: Position the ball of your thumb just in front of the black baseline above.

Use the small hand illustration as a placement guide. This chart provides an estimated glove size.
